

PROCLAMATION

BY THE

Governor of the State of Texas

TO ALL TO WHOM THESE PRESENTS SHALL COME:

Pursuant to Article IV, Section 14, of the Texas Constitution, I, Rick Perry, Governor of Texas, do hereby disapprove of and veto Senate Bill No. 463 as passed by the Seventy-Eighth Texas Legislature, Regular Session, because of the following objections:

Senate Bill No. 463 conflicts with language contained in Senate Bill No. 14, which I have already signed into law. At the author's request, I am vetoing the bill.

Since the Legislature by its adjournment has prevented the return of this bill, I am filing these objections in the office of the Secretary of State and giving notice thereof by this public proclamation according to the aforementioned constitutional provision.

IN TESTIMONY WHEREOF, I have signed my name officially and caused the Seal of the State to be affixed hereto at Austin, this 20th day of June, 2003.

Dear Governor Perry,

During the 78th Regular Session, I was successful in passing S.B. 463 through both houses of the legislature. S.B. 463 is currently awaiting your approval and signature before it is enacted. I was also successful in placing similar provisions in S.B. 14 which you signed into law last week. After further consideration, it appears the preferred language enacted in S.B. 14 would not entirely conform with the language in S.B. 463.

Therefore, I respectfully ask that you veto S.B. 463. If S.B. 463 is not vetoed, the additional language could possibly create unintended confusion for those insured under the Texas Windstorm Insurance Association and those regulators at the Texas Department of Insurance.

I appreciate your attention in this matter. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Kyle Janek".
